BIG SHAKE-UP IN LOCAL TEAM

Mike Donovan Secures a Quartette of Fast Players for Salt Lake.

MANAGER BUILDING UP HIS CRIPPLED NINE

Brace of Catchers, a Pitcher and a New Infielder Have Been Secured.

Cheer up! There is still hope! Manager Mike Donovan for the Salt Lake team of the Utah State league has announced that by the last of the week he expects four strong recruits to be in Salt Lake uniforms. Arrangements have been completed whereby Salt Lake secures Williams, the star Heber pitcher; Sebastian, the clever young catcher; Workman, the hard-hitting catcher of the Twin Falls team; and Means, of Twin Falls, one of the best infielders in the West.

Williams already has been signed and is in Salt Lake practicing with his teammates. He will twirl for the locals against the Occidentals at Walker's field next Sunday. Hummel will pitch for Salt Lake on Saturday at Murray. If his other players arrive in time Donovan expects Salt Lake to win both games.

Carl Sebastian, formerly the star catcher of the University of Utah baseball team, has been signed by Manager Donovan and he may be behind the bat on Saturday and Sunday. He has been working out with the team and looks to be the goods. Donovan Wednesday night wired to Workman and Means to come at once and he expects them to arrive either today or Friday. If they reach here in time he will use both of them in the games Saturday and Sunday.

The arrival of the new players will mean a big shake-up in the local line-up. Castro will be taken from third and placed in the outfield. He has been hitting strong, but is weak in fielding. Donovan will be shifted from short to third and Means will go to first. Sebastian, a fast Idaho pitcher, Collins has an excellent pitcher's arm and a strong batter. With Collins, Hummel and Williams as a pitching staff and Sebastian and Workman alternating behind the bat the battery work of the locals should be strong. The advent of Means should strengthen the infield, which has been weak all season. The recruitment and additions to the team should make it possible for Salt Lake to win a big majority of the remaining games.

As the result of his recently acquired material Donovan has an extra pitcher on his hands and he will probably turn him out to some strong out-of-town aggregation. Donovan said that he had not yet decided which pitcher he would release nor to what club he would release him. He said that the first team that applied would probably be given the man.

CALIFORNIA CHAMPION IS DECISIVELY BEATEN

Minneapolis Man Wins Over Western Golfer After Exciting Play at Minkahda.

MINNEAPOLIS, July 27.—Robert A. Gardner of Hinsdale, the national champion, was put out of the western golf championship tournament today at the Minkahda club, but Charles Evans, Jr., of Edgewood, is still successfully defending his title as western champion.

Gardner was put out of the second round by Warren K. Wood of Homewood, after a hotly-contested battle that ended on the last green with the national champion 1 down. Evans remains in the tournament by virtue of his decisive defeat of Kenneth J. Edwards of Midlothian by 6 up and 5 to play.

The surprise of the day was the defeat of Paul Hunter of Midlothian, southern California champion, by C. T. Jaffray, a veteran of the Minkahda club, by 1 up. Jaffray was 3 up at the end of the morning round, but Hunter's friends were confident he would be able to pull victory out of seeming defeat in the last half of the match.

The veteran Jaffray putted with deadly accuracy, but Hunter's long game grew better as the match neared its conclusion. Jaffray was down 1 at the seventh hole, and despite the fact that Hunter had a perfect style on the eighth hole, Jaffray forced the hole in four and won 1 up.

The matches tomorrow will bring to the fore Leggs and Wood, Jaffray and Phelps, Seckel and R. E. Hunter and Clow and Evans.

RUTHE, Mont., July 27.—Outsiders were in advance at the Jockey Club track today when Plume at odds of 12 to 1 took the fifth race, apparently without so much as even trying. ELIMINATION WILL BEGIN THIS MORNING

Crack Rifle Team to Represent Utah at Camp Perry Will Be Picked.

The rifle squad which is practicing at the post had a good day's work Wednesday, and the scores were excellent. The programme for the day was 600 yards slow fire and a skirmish run in the morning, and 200 yards slow fire and rapid fire at 200 yards in the afternoon. The shooting of the team as a whole, at all the ranges was good, and Coach Walcott was satisfied.

The morning shooting was the old Springfield, but, commencing this morning, the new target Springfield will be issued to the men. The score of the muzzle has been especially made for target work.

It was understood that Sergeant Gardner of H company would not be able to shoot, owing to his failure to secure a vacation, but Wednesday night the arrangements were made and now he will shoot until the elimination is made. His presence will make an elimination necessary, which will commence this morning. One man will be dropped from the squad.

The morning shooting places Sergeant Anderson in the lead by a few points over Captain Kneass. Both shot 16 on 600 yards slow fire. Sergeant Anderson forced in the lead by shooting two skirmish runs of 82 and 86, while Captain Kneass shot 72. Sergeant Major Nelson was second in the skirmish run, making 80. Sergeant Anderson made 78, while Sergeant Major Nelson made 74.

The afternoon shooting puts Sergeant Major Nelson in the lead, with Sergeant Anderson a second by three points. Nelson shot 42 on 200 yards, and Sergeant Anderson shot 40. Captain Kneass and Anderson shot a tie for third, with a total on both ranges of 80.

The following is the score of the individual shooting:

Contestant.	600 Yds.	200 Yds.	300 Yds.
		Slow fire.	Rapid fire.
		Stettnish.
